

THE VENUE

@ ROCKETTOWN

ONE PLACE. UNLIMITED POSSIBILITIES.

The Venue at Rockettown is perfect for concerts, corporate events, nonprofit fundraisers, and receptions. When you host your event at The Venue at Rockettown, you're also supporting Rockettown's mission to offer hope and change futures of teens.

BLANK CANVAS FOR ANY OCCASION.

The Venue at Rocketown is one of the few open floor plans in Nashville with a truly versatile space. With 9000 square feet available to work with, our urban and industrial venue acts as a blank canvas for any type of event.

THE STAGE

The stage is a masterpiece of design and technology, providing an unforgettable concert experience that will leave you speechless. It measures 40' wide (48' at wings) x 24' deep x 3' high and modular.

The stage features a state-of-the-art LED screen is not solely a backdrop- it's a dynamic canvas that adds a new dimension to the experience. With vivid colors, sharp contrasts, and crystal-clear resolution, our LED screen brings your event to life. Whether you're standing in the front row or the back of the venue, no one will miss a beat.

THE SOUND

With its state-of-the-art technology and expert engineering, the Clair Brothers sound system within the space delivers a sound experience that is truly unmatched. From the deep, resonant bass to the crystal-clear highs, every note and every beat is delivered with precision and power, making your event an unforgettable experience for everyone in attendance.

Whether you're hosting a small gathering, tour, or a large-scale concert, Rocketown's Clair sound system is the perfect choice for delivering an immersive, high-fidelity sound experience that will leave your audience mesmerized.
